COLLEGE RECEIVES GRANT TO ASSIST ADULT STUDENTS

The college has received a \$7,331 grant from the Chancellor's Office to expand the Adult College Opportunity Program to assist adult students with the stresses of combining college, careers and family

responsibilities and, in many instances, career modifications or mid-life career changes.

The program includes career-change workshops, a system of peer counseling, discussion and study groups and other support/assistance programs, as well as special advising for adult students on academic probation.

The college currently operates the ACOP on a small scale, serving about a dozen students. The initial program was created by Dr. Lorelee MacPike (English) two years ago. With the new money, project co-directors Dr. Irving Buchen (Humanities) and Dr. MacPike plan to substantially expand the number of students who can be served.

FIRE VICTIMS RECEIVE FINAL FUND PAYMENTS

Members of the campus community who lost their homes in November's fire received additional money this week from the fire victims' fund established by the college. An extra \$478.66, which had accumulated after the first checks

were written, was distributed to the 13 faculty, staff and students on the official victim list.

This payment depletes the fund completely and, unless additional donations are received, there are no plans for further distribution of money.

HEALTH TESTING UNIT TO VISIT CAMPUS

A mobile health testing unit will be on campus Thursday for the annual health screening program sponsored by ACSUP. The screening unit will be parked in the quad area adjacent to the Administration Building. Screenings will be admin-

istered from 9 a.m.-6:15 p.m. and are available to all faculty and staff and their families.

The 50 health tests take 40 minutes. The results will be sent to any physician designated by the examinee. Appointments, which are mandatory, may be made by calling 800-542-6233; the call is toll-free. Costs for the tests range from \$75 for non-member adults to \$45 for children. Subscribers to the ACSUP insurance plan are screened at no cost.

WEEKEND ESCAPE TRIPS ON QUARTER AGENDA

Want to go to Disneyland, snowshoe on Mt. San Jacinto, see the horse races or try your hand at intramural snow olympics? All of that and more is on the winter quarter Escape '81 agenda. The program, sponsored by the Physical Education and Recreation Department, is designed to give students, faculty and staff the opportunity to broaden their recreational horizons.

The next event for the quarter is a trip to the Kings vs Montreal hockey game tomorrow in Los Angeles. Next on the agenda is VIP night at Disneyland Feb. 6. On Feb. 14 and 15, Escape participants will ride the Palm Springs tram to the top of Mt. San Jacinto for some snowshoeing.

A trip to Santa Anita race track is on tap for Feb. 28 when the Winter Classic meet will be held. Intramural snow olympics will be held March 13 at Mt. High ski resort. Finally, a canoe trip down the Colorado River is planned for March 21 and 22.

Sign-ups for all Escape '81 events are taken at the Student Union desk. They are accepted on a first come, first served basis.

BSU SPONSORING VALENTINE DANCE AND FASHION SHOWCASE

The Black Students Union will sponsor a Valentine's Day dance and fashion showcase Feb. 14 in the Student Union Multipurpose Room. The doors will open at 6 p.m., the fashion show will start at 7 p.m. and

the dance will follow the fashion show.

The event is being staged to raise funds for the BSU's Black History Week observance, scheduled for Feb. 16-23.

Nearly 30 models will display fashions from area clothing stores and boutiques and a designer during the fashion show. Dancers will entertain during lulls along the runway. DJ Herbie will emcee the dance and a belly dancer will entertain during intermission. Lantis Bernard is coordinator/choreographer for the dance and fashion show.

Dress for the affair is semi-formal. Tickets are available at \$5 per couple and \$3 per individual through members of the BSU or advisor Walter Hawkins.

KEATING JOHNSON TO GIVE RECITAL

Music lecturer Keating Johnson will present a tuba recital at 8:15 p.m., Tuesday in the Recital Hall. Johnson is director of bands for Cal State and lecturer in low brass and music education. The recital will include music from the classical period

through pieces composed by contemporary artists.

An unusual feature of the recital will be "Cadence VI for Tuba and Tapes" in which Johnson will accompany his own tape-recorded performance, creating a tuba duet.

Johnson has performed throughout Southern California, both alone and in orchestras. Johnson's appearance is part of the Faculty Artist segment of the Music at Cal State Series. Tickets will be available at the door for \$2 general admission and \$1 for students with identification. Season tickets for the series are also good for this performance.

FACULTY ART SHOW CLOSES WEDNESDAY

The faculty art show on display now in the Art Gallery will close Wednesday. The show, diverse works by members of the Cal State art faculty, includes photography, collages, sculpture and ceramics, among other works.

The exhibit may be viewed during the Gallery's regular hours, which are 9 a.m.-noon and 1-3 p.m. Monday through Friday.

PUBLIC AFFAIRS SEEKS NEWS RELEASE IDEAS

The Public Affairs Office is looking for news release ideas. Research projects, grants awarded and class projects may be good subjects for releases to be sent to newspapers and radio stations in the Cal State service area.

If you would like to discuss an idea, contact the office at ext. 7558. Ideas for pictures to accompany the release should also be considered.

CSCSB STUDENTS COMPETE IN ADVERTISING CONTEST

A team of CSCSB marketing and business majors will devise an advertising campaign for a beer to enter in a national contest sponsored by the American Advertising Federation. The students will design the campaign from

market research to storyboards.

The 12 members of the student team are members of the Marketing Club. Their advisor is Kerri Acheson, lecturer in administration.

The students' first competition will be at a district level in April, followed by a regional competition in June. Advertising professionals will judge the competitions.
